After being off for three years because of COVID-19, we think it is time to show our gratitude and appreciation to those who helped us through those tough times. The Mayors Veterans Appreciation Day ran from 2011 to 2019 to show Marion County's Veterans, Military, and their families our appreciation for their service. This year we are changing our name to "Hoosier Heroes Appreciation Day" (HHAD) to include Indiana's First Responders.

We are proud of what we have accomplished in our first nine years and have decided to continue this annual tradition with the support of the leadership from the State of Indiana and the City of Indianapolis. This year we are expanding our reach to include Veterans, Military & First Responders from all over Indiana.

- **Information on Goods, Services & Benefits for our Veterans/Military & First Responders**

Over 200 Information tables will be available for Sponsors, Vendors & Exhibitors. Over 50 employers (Job Fair) are ready to hire Veterans, Military personnel & First Responders. The Blood Mobile | IN Bureau of Motor Vehicles | the VA Mobile VetVan | will also be on site.

- **Family-Friendly Events:**

Classic Car, Truck & Motorcycle Show | Musical Entertainment, Tickets to the Indianapolis Zoo Picnic area with FREE lunch for Veterans, Military, First Responders, and their families | Door Prizes | Bounce Houses | Face Painting | Playgrounds, other Kids Games, etc.

- Our greatest hope is that if even one of our Veterans, Military, or First Responders can benefit from any of the goods or services available through this event and feels the heartfelt thanks of citizens of the Indiana community, we have accomplished our goal.

Please help us support our Veterans, Military & First Responders in Indiana. VSC does not receive any monetary grants or government assistance, so we ask for your support through our Sponsorship Programs outlined in this letter.
